UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

IN RE DAVID R. CUBBY, ESQ.	:	CIVIL ACTION NOs.: 8:21-cv-17173-MAS; 2:23-cv-: 02842-MCA-CLW

1. I, the undersigned, David R. Cubby, Esq., am an attorney licensed to practice law in the states of New York and New Jersey.
2. I have personal knowledge of the events and subject matter contained in this certification.
3. For the past eight years, and in all likelihood for a number of years prior, I have been the target of a racketeering campaign designed to retaliate against my advocacy for historic preservation and transparent government in the City of Paterson, New Jersey.
4. I hereby incorporate by reference all pleadings filed by David R. Cubby, Esq. in any matter in any state or federal courts concerning these matters, including but not limited to the dockets and jurisdictions captioned above.
5. In the winter or spring of 2018, I attended a meeting at Catherine Rowe Commons in Clifton, New Jersey that was attended by the following individuals:
    a. David R. Cubby, Esq.
    b. Chief Lawrence Spagnola, Paterson Police Dept. (retired)
    c. Therese Tolomeo
    d. Mark Sisco
6. It was and is my personal opinion that the singular purpose of this meeting was for Chief Spagnola to inform me of certain allegations concerning New Jersey Community Development Corporation Chief Executive Officer Robert "Bob" Guarasci.
7. According to Chief Spagnola, Guarasci at some time previous to the above referenced meeting had been the target of an attempt to indict Guarasci upon charges related to criminal sexual abuse of a minor.
8. Spagnola stated that Guarasci had been arrested or apprehended in his personal vehicle in the area of John F. Kennedy High School in Paterson, New Jersey in the early hours of the morning, with an underage boy of Latin descent.

9. Spagnola further stated that the victim and his family had cooperated with the investigation initially, but at some point cooperation had ceased and the family left Paterson.
10. According to Spagnola there had been rumors that the family had been paid a settlement and may or may not have signed a nondisclosure agreement.
11. According to Spagnola, the matter was quashed prior to being referred to a grand jury by political friends of Robert "Bob" Guarasci.
12. Following this meeting, I attempted to substantiate this information among several members of the Paterson community. They universally stated that they had heard the same thing or something similar.
13. Upon information and belief, one or more of these community members informed Guarasci or his allies that I was asking questions regarding these allegations.
14. Upon information and belief, one or more of these community members later accepted money and/or employment from Guarasci and/or New Jersey Community Development Corporation for themselves or their nonprofit organizations.
15. It is my strong personal belief and professional opinion that the forgoing is a direct and proximate reason for the campaign to impugn my credibility and professional reputation through numerous false, defamatory, and fraudulent disciplinary actions filed by the New Jersey Office of Attorney Ethics and now the New York Office of the Legal Profession.
16. It is not my allegation that court officers in these states have any personal knowledge of child sexual abuse by any party, but that they are nonetheless knowingly colluding to violate my civil rights for professional or monetary gain, or even under threat or blackmail.
17. I affirm this 25 day of September, 2026, under the penalties of perjury under the laws of New York, New Jersey, and the United States, which may include a fine or imprisonment, that the foregoing is true, and I understand that this document may be filed in an action or proceeding in a court of law.
